

DWS INTERNATIONAL INC.

Marcus McDonald has joined DWS International Inc. as Sales Manager – Products at their corporate office located at 318 Centaurus St., Corpus Christi, TX. His primary responsibilities are the worldwide sales and distribution of the DWSII's i-winch® custom marine winches, deck handling equipment, integrated survey systems and the most recent addition of their recovery line of hydraulic winches used on marine and land applications in the drilling, waste management and timber industries.

Marcus is a graduate of Texas A&M with a BS in Industrial Distribution, with 26 years of industrial sales and is active in ISA; Instrumentation, Systems, and Automation, and past president and in Scouting.
